GET FIRST PICK OF THE NEW Fall Suits

The longer we are in the clothing business, the more we are impressed with the fact that the best suits sell first. The most artistic patterns, the richest colorings, the best fabrics, are invariably selected by early buyers. Early buyers also get the advantage of the styles while newest, as well as a full season's wear out of their suits. For these reasons, we ask you to come as early as convenient and let us show you the new Fall and Winter Styles in

KENTON SUITS.

You'll find the Kenton make without a superior in the clothing world. Kenton fabrics retain their fresh, new appearance, and Kenton tailoring keeps its shape and style to the full satisfaction of the wearer.

For the coming season Browns will hold first place with men of fashion, with Blues a close second. Both are shown in every conceivable shade and

beautiful color scheme, in styles to please men of every age and taste. Special models to fit all men; the stout and slim, long and short, chunks or regular—we fit them all. Prices for Kenton Suits:

\$15, \$16.50, \$17, \$18, \$20, \$22.50, \$25.

Other Good Suits, \$10.00 to \$12.50.

The hunting season on all sorts of

two months.

Somewhat Delayed.

Owing to an unusual large amount of

work in our office during the past two

weeks The Clinch has been a day late in getting the paper to the post-

office but hereafter we hope to issue The Clinch on time, as has been our custom during the past fifteen years.

We appreciate the many inquiries that have come to this office concerning the delay, which is evidence to us that the paper is appreciated and greatly missed when it fails to arrive on time.

Mr. Murray Smith for City Attorney.

Mr. G. Murray Smith's announcement as a

candidate for City Attorney appears in this issue. He needs no introduction to the voters of this city. He is a well

known attorney and had experience in all our courts. A young man of exemplary habits, industrious, prompt in all business matters and full of energy. He is thoroughly familiar with the duties of the office, having time and again served in the absence of the regular City Attorney. Mr. Smith is well qualified for the position and the voters will make no mistake in electing him.

Prof. Johnson for Councilman.

In one of our city papers last week

appeared a call for Prof. J. R. Johnson to become a candidate for councilman from Norman precinct. It seems that the Board of Regents of the Normal School are desirous that no one connected with that institution shall take any part in politics, and this may be in the way of Professor Johnson becoming a candidate. He would, if elected, make an excellent man for the position. On Tuesday, Oct. 3rd, will be registration day.

Married in Newport.

Mr. Chester Green, of Lexington, and

Miss Nellie Park, of this city, were married Wednesday in Newport. Mr. Green, who has had charge of the piano department at Higgins' furniture store, secured an automobile and the young couple drove through the country to Lexington, arriving there in time for the 3:30 train for Cincinnati, from which point they went to Newport where the wedding ceremony was performed. They left immediately for an Eastern wedding tour, after which they will return to Lexington, where they will reside. Miss Park is a daughter of Mrs. Bettie Park, of this city, and is a very charming young lady and for quite a while was bookkeeper for Blanton-Congleton Lumber Co. She has also taught several school terms in the county. Mr. Green recently came to Lexington from Lexington and during his stay here made many friends. The happy couple have the best wishes of their many friends for a long and happy life.

Catarh Sufferers

If you Don't Know About Hymel, Try it at B. L. Middleton's Risk.

Nearly every reader of the Clinch has

read about Hymel, but many of them continue to suffer from catarh because they do not exactly understand just what Hymel is.

To these sufferers B. L. Middleton says you don't have to know anything about Hymel except that you breathe it and that it does not contain cocaine or opium or any harmful drug.

You can find out all about Hymel without taking any chances whatever. Just get an outfit today, read the simple instructions, give it a fair trial and then if you are not willing to say that it is the best remedy for catarh you have ever used B. L. Middleton will gladly return your money.

A complete Hymel outfit costs but \$1.00. Extra bottles 50 cents.

Baptist to Build Church.

Turpin & Stone have been awarded

a contract to erect a new church for the regular Baptist. The building will be erected on their lot on second street, opposite Caldwell High school, and when completed will cost about \$6,000. Work will begin at once.

The Boys Fruit Growing Club.

Handsome prizes offered by the E. K. S. N. S. to boys who grow the best

fruit trees. Clubs to be organized all over Madison and the adjoining counties. A prize of \$25 to be given to the boy who raises the 10 best apple trees next

season. A second prize of \$10 and a third prize of \$5 to be given the boys who raise the second and third best 10 trees.

PLAN OF THE WORK.

Clubs of 25 members or more must be

organized and when such organizations are effected Prof. G. D. Smith will meet

with the club and give instructions in root-grafting, storing, setting, and cultivating the young trees. The seedling roots and scions or grafts will be ordered by the Normal and furnished to the members of the different clubs at cost. Each member must graft and grow 100 trees from which he may select 10 trees for the prize contest.

The seedlings will cost about a cent apiece and the grafts about a fourth of a cent.

The grafts used will be Rome Beauty, Jonathan, Stayman Winesap, and Black Ben Davis, all of which are excellent varieties and well adapted to the climatic conditions in the state.

The trees will belong to the boys who raise them and may be made the nucleus of a large orchard in the future. All these trees come into bearing quite early, so in a short time we may be able to offer another prize for the best fruit raised on them. Any boy or girl who is over 10 or under 21 may become a member and compete for the prizes.

The roots and grafts will be given out on the 1st of the month of September following New Year's day, as the best time for doing the grafting is during January and February.

The contest exhibition will be held at the Normal on Saturday following Thanksgiving day.

On these two particular days all members of the different clubs will receive a cordial invitation to spend the whole day at the Normal, where they will be shown through the different departments of all the buildings and when they can have an opportunity to view our beautiful grounds.

The instruction and demonstration work will be done by Prof. Smith, largely through the months of Oct. Nov. and December. It is hoped by the leaders of this movement, since our Eastern section is so well adapted fruit raising, that a large number of boys and girls will enter the contest and start on a career which, when fully developed, will redound to the benefit of the Normal and the prosperity that now threatens her.

Humane Society Doing Good Work.

The Humane Society recently organized in this city is doing a splendid work and should receive the hearty cooperation of every body in the effort to secure the best treatment possible for all kind of stock. A circular which has been issued recently and is mailed when necessary demands it, follows:

"Your horse is so checked that the sun rays fall directly in his eyes. You could not endure it for two seconds. Will you not lengthen the check rain to prevent this torture?"

"A righteous man regardeth the life of his beast."

The military department at E. V. Elders' formal opening of which occurred Saturday, has on sale the latest design in Fall style—up-to-date trimmings will be glad to show the goods.

Sudden Death of Owen Keen

Mr. Owen Keen, of Muddy Creek, this

county, received a telegram Tuesday morning announcing the death of his son, Owen Keen, Jr., at Cincinnati, for

merely a citizen of this city. Mr. Keen left for Cincinnati on the two o'clock train Tuesday and will bring the remains to this city for burial. The only information received concerning Mr. Keen's death was that he expired suddenly. Deceased was thirty-three years old and was in the employ of Bennett & Higgins before moving to Cincinnati, where he has resided for the past year. He leaves a wife, who was a Miss Ford, of this county.

Christian Church Notes.

The state convention at Frankfort last

week was one of the most successful in the history of the church. About two thousand persons attended. Even the capital city could not furnish accommodations in the way of auditorium that would seat all those who desired to attend the sessions. Parallel meetings were held each day in the Presbyterian and Baptist churches. On the 1st night of the convention, the Episcopians rendered the use of their church, the largest in the city, and the effort was gladly accepted. The reports from the different departments of the church showed a great increase in the money that was raised, in the terms and conditions of the pledge, and to take stock in the proposed co-operative factory, which it was predicted, will be a success from the beginning.

Sealed Bids.

Sealed bids will be received by the

County Judge at his office, not later than October 2nd, at 10 a. m., for the care of the inmates of the County Infirmary for year 1912, upon the same conditions as the contract let for the year 1911.

Stop That Dandruff.

Before it kills your hair. You know

dandruff is a germ disease and it leads slowly and surely to baldness and there is only one way to cure dandruff and that is to kill the germ that causes the trouble.

Greasy soaps will never do this. ZEMO and ZEMO SOAP kills the germ and are guaranteed to cure dandruff, itching scalp and all other germ diseases of the skin and scalp.

ZEMO and ZEMO SOAP are the true scientific remedies for these afflictions. To show our faith in ZEMO and ZEMO SOAP we have instructed the druggist selling them to refund your money if you are not satisfied with the results from the very first bottle and the first cake of soap.

We can afford to make this offer because one bottle of Zemo and one cake of soap are sufficient to cure their itching scalp and if used according to directions, they will effect a permanent cure.

Sold by all druggists everywhere and in Richmond by Perry's Drug store.

CURIOUS BITS OF HISTORY

By A. W. MACY.

A BLANKET PROCESSION.

In 1917 the disaffected weavers of Lancashire, England, got together and resolved to march up to London and lay their grievances before the prince regent. As it was quite a way to London, each took a blanket along to wrap about him at night. About 5,000 men started and had a curious looking parade it must have been. One eyewitness described the marchers as "a most deplorable lot, without food and without organization." Scarcely had they begun to move when they were attacked by the military and partially dispersed. Some kept on, but the procession became more and more frequent. By the time the marching column reached the outskirts of London it had dwindled to six persons, and not one reached the presence of the prince regent.

FREE SAMPLE CURED OLD PERSON'S BOWEL TROUBLE

One of the most remarkable proofs of the unusual laxative merit contained in Dr. Caldwell's Syrup Pepsin is that it is effective not only in people in the prime of life, but at the extremes of ages. As many letters are received from mothers regarding the cures of children, as from men and women of sixty, seventy and eighty years of age. It must be truly a wonderful laxative.

In the cure of constipation and bowel trouble in old people it has no equal. It corrects the constipation, dispels the headache, biliousness, gas, drowsiness after eating, etc. People advancing in years should see to it that their bowels move freely, and if they do not take Dr. Caldwell's

Syrup Pepsin. You can prolong your life by healthy bowel action. Clogged bowels invite disease. Women about to pass the menstrual period cannot do better than use Syrup Pepsin several times a week until the system has settled to its future condition.

Among the strongest supporters of Dr. Caldwell's Syrup Pepsin are Mr. W. G. Zorn of New Decatur, Ala., and Mr. George S. Spaulding of the National Soldiers' Home, Kansas, both elderly men. The regular size bottles can be bought of any druggist at fifty cents and one dollar, but a free sample bottle can be had by sending your address to the doctor.
